

### **Water/Wastewater Labourers (Seasonal)**

The Municipality of Central Elgin is a progressive, growing urban and rural municipality located on the north shore of Lake Erie in the heart of southwestern Ontario adjacent to London and St. Thomas. The Municipality is responsible for the maintenance and operation of two water distribution and two waste water collections systems.

The Municipality is currently seeking to fill seasonal full time positions to assist full time operators in the Water/Wastewater Department. The positions are for 40 hours per week from mid May to early September 2019.

### **Water/Waste Water Labourers (Seasonal)**

Reporting to the Operations Superintendent, Water/Waste Water Labourers are responsible for the day to day maintenance and operation of municipally owned sewers and watermains. Duties include assisting in the maintenance of municipal infrastructure, hydrant maintenance, and equipment operation. Applicants must be comfortable working on construction sites and in areas where concentration is critical.

Desired qualifications:

- Able to work as contributing member in a team environment
- Good physical condition
- Experience in construction would be considered an asset
- G2 drivers license
- Excellent interpersonal skills

The 2019 Rate of Pay is \$14.00 per hour

Closing date: **February 11, 2019 @ 4:30 pm,**
