Warehouse Supervisor

Full time permanent position
Talbotville, Ontario (Rural location)

REPORTS TO:

Warehouse Manager

The Company

At Ontario Plants Propagation Limited, our vision is to be Eastern North America's premier supplier of greenhouse vegetable transplants. In order to help us accomplish this goal, we need to hire motivated passionate people that will support our workforce and facilities. With that in mind we are seeking an individual with experience in a warehouse/shipping/receiving supervisory position.

Job Description/Responsibilities

- Work side by side with a team of Warehouse labourers to achieve production/shipping targets, including loading and unloading trailers, cart assembly and monitoring and enforcing hygiene protocols
- Coordinate activities and monitor the performance of a team of warehouse labourers
- Help maintain a safe and clean workplace
- Help identify and report potential health and safety problems
- Execute established methods to meet work schedules and co-ordinate work activities with other teams and departments
- Resolve work problems within scope of responsibility and recommend measures to improve productivity
- Develop team work and motivate members through the setting of clear expectations and recognize outstanding performance
- Provide leadership for employee relations through effective communication
- Operate various types of equipment as required
- Participate in quality and productivity improvement initiatives
- Maintain and adhere to all company policies and procedures
- Perform other tasks as may be assigned

Minimum Requirements

- Completion of high school education or equivalent.
- 1-2 years experience in a leadership role
- Ability to prioritize & multitask in a fast-paced environment
- Excellent communication & interpersonal skills
- Strong ability to direct others with a team mentality & positive attitude
- Physical tasks include bending, lifting 20-30lbs, twisting & standing for extended periods

Physical Location/Working Conditions

- Greenhouse environment in rural area, own transportation required;
- Ability to work night shift during peak periods
- Able to work long hours including Saturdays, Sunday, and holidays when required
- Start times vary significantly during busy times, flexibility is a must

Wage

- \$17- \$19 per hour, 40 – 55 hours per week, shifts may vary between day and evening
- This role is classified as an agriculture employee / farm employee. See the following link for more details about this classification from ESA.
