Art Instructor

Hourly wage:

15.00

Number of weeks:

8

Number of hours per week

35.00

Anticipated start date

2022-06-13

Tasks and Responsibilities:

Art Instructors will work individually and with colleagues to design dynamic and engaging education programs for K-12 youth, utilizing creative technologies, engineering and scientific principles, design thinking and problem solving skills.

Instructors will learn to use a huge library of advanced maker tools and prototyping technologies such as 3D printers, CNC, hand crafting tools and a laser cutter. Instructors will develop advanced digital art skills and become effective communicators as they practice using professional audio and video production software and technology to produce program content.

From ideation to program design and delivery, Instructors will test concepts, plan art and STEM activities, manufacture program kits for youth, and produce instructional materials for in person and virtual learning, suitable for all learners across Elgin - Middlesex - London, including iSTEAM, our Indigenous Ways of Knowing and STEAM education program for Indigenous students. As we are a small charity, every member tends to pitch in where support is needed. Sometimes

that means making robots, or collating paper, designing cool projects and cleaning. This role will expand in these ways as needed.
