

Job Description

Job Description

We are currently seeking a full-time Saw operator/Material Handler for our London branch. Canada Steel Service Centre is a steel wholesale company with branches across Southwestern Ontario. We typically stock a large variety of Hot Rolled, Cold Rolled, Aluminum, Stainless, Rebar, Mesh, Expanded Metal and specialty products in order to serve our customers as quickly as possible. Canada Steel offers a competitive wage with room to grow as well as a pension matching plan and a benefits package.

Responsibilities:

Saw Operator:

- Operating Hyd Mech Saw with accuracy.
- Experience with operating large saw a must
- Must be able to read a tape measure.
- Understand how to work with calipers and verniers
- Attention to detail and strong organizational skills
- Must be able to multi task
- Must be able to lift up to 80 lbs.
- Must be able to keep work area neat and tidy

Material Handler:

- Loading / unloading steel manually and with the use of overhead cranes / forklift
 - Fulfilling customer orders by pulling the steel purchased and loading it onto the trucks for delivery
 - Ensure loads are secure on the trucks
 - Maintaining a clean and organized warehouse
 - Communicate with sales staff to ensure order accuracy and quality
 - Ensure safe working practices are being followed
 - Work towards minimizing inventory losses
 - Assist customers when picking up material
- What you can expect from Canada Steel**

- Hourly pay rate (reviewed again at 3 month review)
- Great benefits package
- Being part of a great team who excel at meeting our customer's needs
- Pension matching program

Qualifications

- Excellent communication skills
- Hard working and organized
- Must be a Team Player
- Professional and outgoing when dealing with customers
- Background in steel industry is a plus
- Strong organizational skills and attention to detail
- Ability to work under pressure and meet tight deadlines
- Ability to work in a fast paced environment
- Strong time management skills and ability to prioritize tasks
- Experience loading flatbed trucks (preferably with steel) is a plus
- Ability to read tape measures and verniers / calipers
- Overhead Crane Experience an asset
- Forklift Experience an asset

At Canada Steel we value our employees and recognize hard work and determination. We also value teamwork as it is the key to our success. If you are interested in becoming part of the team at Canada Steel please email your resume in PDF format. We would like to thank all candidates for their interest, however only those selected for an interview will be contacted.
