Talbotville, Ontario (Rural location)

Job ID: ST59JS (AD) Job Posted: April 29, 2019 Job Closes: May 30, 2019
---

### REPORTS TO:

Workforce Manager

### The Company

Ontario Plants Propagation Limited is looking to grow our Greenhouse team. We are looking for individuals with agricultural experience to help us lead a team of labourers to complete various tasks in a greenhouse environment. If you like working with your hands, setting an example for others and encouraging others to do their best, this might be the role for you. The primary responsibility of the team lead is to work side by side with a team of greenhouse labourers to meet production targets and ensure safe work practices.

### Job Description/Responsibilities

- Work with a team of Greenhouse labourers to achieve production targets □  
Monitor the performance of a team of Greenhouse labourers.
- Communicate and enforce safe work practices.
- Execute established methods to meet work schedules and co-ordinate work activities with other teams and departments.
- Operate various types of equipment as required. □ Perform other tasks as may be assigned.

### Minimum Requirements

- Demonstrated ability to operate various types of equipment.
- At least one year of work in an agricultural setting
- Excellent communication skills, both written and verbal.
- Ability to solve problems and make decisions.
- Must have reliable transportation.

### Physical Location/Working Conditions

- Greenhouse environment in rural area, own transportation required;
- Repetitive tasks, combination of standing, bending, walking, crouching

### Wage

- \$15.36 per hour, 35– 55 hours per week, shifts may vary between day and evening
- This role is classified as an agriculture employee / farm employee. See the following link for more details about this classification from ESA.
