

## Manufacturing Associate

Job ID: ST639MD (AD)  
Job Posted: August 14, 2020  
Job Closes: September 21, 2020

### Why work at ETBO

For over 60 years, ETBO has been providing our customers with innovative custom solutions in stamping, tooling, engineering, die service and repairs predominantly in the automotive industry. ETBO is a stable, growing company that promotes innovation and creativity. Our company continues to experience very steady growth due to the many successful relationships we have with our customers, resulting in on-going new business opportunities. We are located just southeast of Aylmer.

### Manufacturing Associate

Placements are available in various areas of the company. No experience is necessary. An applicant's aptitude, work ethic and attitude will determine the variety and type of work assigned, and we will provide training where necessary. Shift to be determined.

### Requirements

- Ability to lift up to 50lbs
- Use of computers is essential
- Excellent problem solving skills

### Qualities of Manufacturing Associate

- Self-starter and excellent communicator
- Ability to work with others in a professional manner

### How to Apply

Please send your resume and a copy of your transcript with the job title in the subject of the email to [careers@etbo.ca](mailto:careers@etbo.ca). We thank all who apply, but only those selected for interviews will be contacted.

*Accessibility accommodation is available, upon request, throughout the recruitment process. If accommodations for interviews are required, candidates should make this known in advance.*
