Position: Welder/Fitter

Job Type: Full Time (8 – 9 hours daily) 7:30 – 5:00

Salary: Competitive Wage, bonuses, overtime opportunity

Responsibilities:

- Set up components for welding per specifications
- Cut materials with power saws
- Operate angle grinders in prep for welding
- Operate welding and cutting equipment (mig, plasma and oxy/acetylene torch)
- Repair machinery and various components by welding
- Critically inspect welded surfaces for flaws
- Maintain equipment to insure safety
- Work efficiently independently and in a team environment
- Wear required protective clothing (steel toed boots, face shield, gloves, etc.)
- Perform other duties as assigned

Qualifications:

- Experience using a variety of welding equipment, power saws, grinders, drills, impact guns
- Experience using a variety of manual tools (saws, tape measure, calipers, etc.)
- Adherence to safety standards relating to operation of equipment and work processes
- Possess strong attention to quality and detail
- Must be able to perform the physical requirements of the job (bending, stooping crouching, twisting, lifting to 50 lbs., performing repetitive tasks, climbing ladders, and standing for extended periods of time)
- Ability to work independently and in a team environment
- Ability to follow directions and perform assigned tasks safely and efficiently
- Ability to communicate both verbal & written in the English language
- Willingness to learn additional skills and complete other duties as assigned

Only candidates chosen for an interview will be contacted.
