PRODUCTION TEAM MEMBERS REQUIRED

Job Description:

TAKUMI STAMPING CANADA INC. is a Japanese automotive parts manufacturer in St. Thomas. We are currently recruiting for openings for a limited number of Production Team Member positions within our facility to work within the climate controlled manufacturing departments.

Details:

We are currently recruiting Team Members to join our Production Team to work in a fast-paced manufacturing environment in St. Thomas, Ontario. If you have experience working within a manufacturing environment, possess good attention to detail, demonstrate excellent eye-hand coordination, have a positive attitude, and maintain excellent attendance then this is the position for you!

Requirements

- **Previous manufacturing related experience as asset, preferably in automotive**
- Ability to work on two week rotating shifts
- Be available to work overtime as required, including weekends
- Have a proven history of strong work performance
- Proven track record of good attendance
- Have excellent work ethic and a willingness to learn and participate in continuous improvement
- Be able to work in a fast paced environment
- Have reliable transportation

TAKUMI STAMPING CANADA INC. offers a stimulating, fast paced work environment with competitive wages, a company paid comprehensive benefits package, company matching Group RRSP program, and shift premium incentives.

Qualified applicants interested in joining the TAKUMI STAMPING CANADA INC. Team, are invited to submit their resume to the following email:

Email: jford@tsi-cn.ca

OR

Fax: (519) 633-0227

TAKUMI STAMPING CANADA INC. appreciates all responses but only those candidates selected for interviews will be contacted. No phone calls please.
